

WELCOME TO OUR WORKSHOP

INSPIRING THE LEARNING JOURNEY

Innovation and Enterprise POD

Computing: E -Safety

Why is e-safety so important?

One powerful message:

CEOP Jigsaw 8-10 years

Inspiring the learning journey

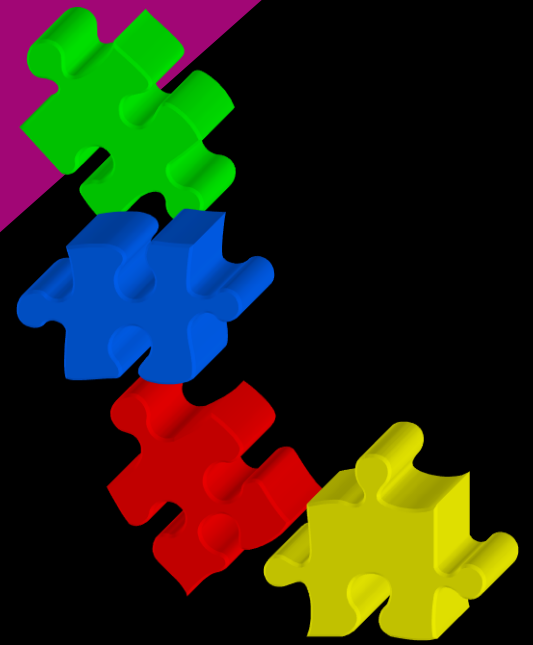

e-safety: the basics

1. Have the conversation early and often
2. Explore online together
3. Know who your child is talking to online
4. Set rules and agree boundaries
5. Make sure that content is age-appropriate
6. Use parental control to filter, restrict, monitor or report content
7. Check your children know how to use privacy settings on each site and how to report an issue

Isabella Leighio on twitter - she is extremely well trained in computing/e-safety

Stay SAFE on the internet

ZIP IT

Keep your personal stuff private and think about what you say and do online.

BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

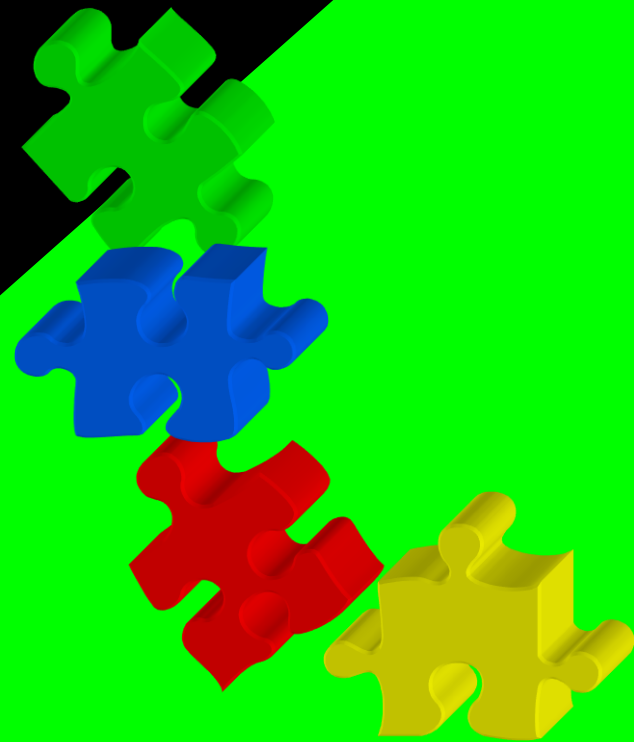

FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.

Stay **SAFE** on the internet!

Visit: www.kidsmart.org.uk

Maths: written calculation

The 4 calculations

Addition

Subtraction

Multiplication

Division

**The 'one size fits
all' handbook
for children,
parents and staff**

*Written calculation:
The South End Way*

**OPERATION:
M.A.D.S.**

*Written November 2015
Review April 2016*

What you could do at home:

- ✓ **Continue to help your child learn their times tables**
- ✓ **Play those board games that don't need privacy settings**
- ✓ **Ask questions especially ones that contain "Why?"**
- ✓ **Talk through your thought processes – not just in maths**
- ✓ **Use maths apps – no social networking involved!**
- ✓ **READ both to and with your child and quiz their understanding**

THANK YOU FOR
YOUR TIME 😊

PLEASE COMPLETE A FEEDBACK SLIP
AND PLACE ON THE TABLE TO THE SIDE

You can find 'Operation M.A.D.S.' on our website now.

This evening's presentation will be uploaded to the website tomorrow.
