

Inspiring the learning journey

2012 saw a new uniform launched! Once again children had their say choosing the design and agreeing on the final colours! We were keen to launch a formal uniform that included the tie. We wanted the tie to be something special, something that meant everyone wearing it felt complete pride in the school they attend and a feeling of belonging to something special and unique! The lime green tie was born!

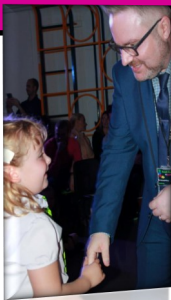

A very special Tie Ceremony to welcome you into the SEJ family...

Belonging

It is more than just a tie...

Every September we welcome 90 new children into the school. A special Tie Ceremony takes place where every child comes down the red carpet to receive the gift of a new tie. This was key in making sure all new children understood the special meaning and importance of wearing the tie... It is more than just a tie!

A South End journey like no other by Mr Springett-McHugh, Headteacher 2009-2017
