

Inspiring the learning journey

Inclusion at South End has always been core to our beliefs. We wanted to make sure that no matter who you are or what your ability in learning is, nothing would ever hinder you while you studied at SEJ. The Allotment is the heart of this message. Designed around natural growth and the concept of 'planting the seeds and watch them grow'. Our interventions, challenge and support all stem from our Inclusion Base that we lovingly refer to as The Allotment!

A place to grow...

Not many schools at the time had an indoor allotment with fake grass and picnic tables to work on! The Challenge Patch enabled children to take on further mastery challenges.
