Times table information meeting for parents

Dear parents and carers,

As you will have seen, we have altered our expectations for maths home learning across the school. We have identified times table knowledge and recall as a key area to develop and will be solely basing home learning on this for the foreseeable future.

The first two pages of your child's maths home learning book briefly explain how our 'Multiples Marathon' times tables system operates. You will also find suggestions for practice and a note of the day that your child will be tested.

We appreciate that you may require further details about the new way of working, or have questions, so would like to invite you into school on Friday 2nd October at 9:00am to do so. The workshop will take place in the Plaza and should last about half an hour.

If you would like to attend, please return the reply slip to the office by Wednesday 30th September.

Many thanks for your continued support.

Yours faithfully,

Mrs Lisa Gibbs

Director of Learning: Years 5 and 6
