<b>BEHAVIOUR MANAGEMENT POLICY</b>	Review date: July 2018
	Supersedes: March 14

**Rationale**

Our aim is to provide an environment where learning can take place happily and without disruption and where everyone is treated with due respect.

We recognise that there will be times when the behaviour of individual children may disrupt the education of that child as well as that of other learners.

Our policy is to minimise this disruption by a system of rewards and sanctions linked to a clear Staged System and Values.

**General Expectations**

We expect children to treat school staff, visitors and other children with respect at all times, as well the property of others. We recognise that it is the right of every child to receive an education without the threat of any kind of bullying, physical or mental. We expect children to move around the school in an orderly manner and be able to trust them to follow our school values at all times. Bullying is taken very seriously and a policy exists to eradicate this in all its forms.

We have a range of values and skills we expect our children to follow. Below are what we expect in relation to behaviour:

### Using the Values Circle

The values circle is used instead of set rules. Children are taught exactly what each value means and 'how it looks in practice'. This is done through PSHCE lessons, circle time and assemblies. Each fortnight one value is focused on as a whole school. At the end of the second week two children are chosen to receive the WOW Award as our Value Ambassadors.

Parents are encouraged to sign the *Home-School Agreement* in order to establish a joint partnership to maintain the highest standards of behaviour and work. The child specifically undertakes to keep to the school's values while the parent(s) agree to support the school's guidelines and policies for behaviour.

### The South End Signature

The South End Signature is a statement that all stakeholders are expected to sign up to when joining the South End Community; including children, parents, carers, staff and governors. This is prominently displayed outside the school and also in all learning bases. It must be referred to daily by all staff.

When sanctioning children or talking about their behaviour all staff must directly link this to the South End Signature and to the school values by showing the 5 Stage Policy visuals shown below; ensuring a clear understanding. For example: If a child has hurt another child the member of staff in discussion with the children would be highlighting that they had not shown **Respect** for the other person, did not **Value** the other person, were not **Kind** to the other person, made the wrong **Choice** to hurt this person etc.

Once this has been made clear the member of staff then needs to ensure the children involved understand what they need to do now to make sure they are following the school values.

The school values are clearly displayed in all learning spaces around the school alongside the 5 Stage Policy shown below. All staff on playground duty have the visual policy on a lanyard.

### 5 Stage Behaviour Policy

Our Behaviour Policy follows 5 very clear stages. These are visualised below and are displayed in all areas of the school. Our key aim is to ensure all children understand the expectation to follow our school values and exactly what happens if they make the choice not to.

**Stage 1:** We expect all our children to be following our school values. When doing this they will have numerous opportunities for celebration and reward. These are regularly shared on a fortnightly basis as a whole school. For more details please see Pocket Guide 3.

**Stage 2:** Children who choose not to follow school values will be given a warning. This will involve a 'warning card' and having it told to them verbally. 'Reflection Time' will follow where they are reminded what they need to do to re-focus and return to Stage 1.

**Stage 3:** Children continuing to choose not to follow our school values will now have 'Time Out'. This could be in their own room or another classroom. An Incident slip will be completed explaining the reason. A visit to the Head or Associate will take place if 2 slips have been completed in one week. Targets will be set to re-focus to Stage 1.

	Issued: 23 June 2016
<b>BEHAVIOUR MANAGEMENT POLICY</b>	Review date: July 2018
	Supersedes: March 14

**Stage 4:** Focus Cards are introduced to help re-focus children back to Stage 1. They will be a form of monitoring, target setting and discussion to ensure the child knows exactly what they need to be doing to improve. Parents are informed at this stage.

**Stage 5:** This is our final stage before we introduce other support services. Targets are set and a 'Focus Book' is sent between home and school communicating progress. If this is not successful Behaviour Support may be involved.

### Positive Rewards

School staff employs positive rewards as part of the daily routine. For further details on whole school incentives please refer to the 'Celebration' Pocket Guide. Below is a general overview:

- Written or spoken praise and encouragement.
- The house point system.
- Privileges.
- Tangible rewards at the teacher's discretion.
- Informing parents of improved behaviour, including "A mention home..." postcards being sent home.
- Golden Ticket Winner Nomination
- Merit system
- Nominating the child as *Winner of the Week: Values Ambassador 'WOW'*
- In class systems such as stickers, displays and class mentions.

**Please note: children can only access main whole school systems when on Stage 1 of the 5 Stage Policy.**

### Consequences

We believe that a close connection must always be established between an unacceptable action and a consequence. Thus if a child chooses an undesirable action he/she also chooses to have a consequence. A hierarchy of consequences relating to different forms of undesirable behaviour is outlined on the *Sanctions Guidelines* sheet (attached) using the 5 Stage System.

<b>South End Junior School</b>	Page 5 of 6
	Issued: 23 June 2016
<b>BEHAVIOUR MANAGEMENT POLICY</b>	Review date: July 2018
	Supersedes: March 14

**If a child is on Stage 2, 3, 4, or 5 they will be unable to access any rewards in the school.  
Children must be on Stage 1 to access these.**

**Focus Cards:**

**Green Card:** A child will be on a Green Card for at least **ONE week**. If things have improved they may then return to Stage 1. If there is still a concern then either another week on Green or accelerate to Orange.

**Orange Card:** A child must complete at least one week on orange. If things have improved they would be then moved onto green for at least a week. Therefore, children entering on an orange card would be at Stage 4 for at least **TWO weeks**. If there is still a concern then either another week on Orange or accelerate to Red.

**Red Card:** A child must complete at least one week on red. If things have improved they would then be moved onto orange for one week. If this trend continues they would then do a week on green. In total a child entering on red will stay on Stage 4 for at least **THREE weeks!** If there is still a concern then either another week on red or accelerate to Stage 5.

**The Associate Headteacher/ Headteacher**

In some serious cases of very disruptive children it may be necessary for the matter to be referred immediately to the Associate Head/ Head. Only the Associate/Head can make a decision to exclude a pupil, in which case the child’s parents will be informed. The Local Authority will be notified in accordance with current LA/DfE guidelines.

**The Governors**

The governors have overall responsibility for overseeing the setting up of an effective behaviour policy although it will be implemented by the Associate/Head and staff. The governors are not involved in the day-to-day management of behaviour. In the case of an exclusion against which the child’s parents appeal, the governors will make the decision as to whether or not the appeal is upheld. The Associate/Head must then abide by this decision.

**Monitoring**

The school staff continuously monitor the effectiveness of the policy on an informal basis and will voice their concern if any aspect is seen to be ineffective or if an opportunity exists for improvement.

**Recording and Communication**

**Stage 1:** Our Expectations for all – Merit cards, merit trackers, Golden Ticket Log

**Stage 2:** Each class teacher has a reflection book to log all children who have required reflection time. These are monitored termly by the Associate Head and Pastoral Lead

**Stage 3:** Green incidents slips are completed by the member of staff and sent to the class teacher. Once the incident has been dealt with they are then passed onto our Pastoral Support TA who files them in the Behaviour File. These are monitored termly by the Associate Head and Pastoral Lead

**Stage 4:** Focus cards at all levels (green, orange and red) are kept in the behaviour file. If requested, parents may have a photocopy of these for their own records. These are monitored termly by the Associate Head and Pastoral Lead

<b>South End Junior School</b>	Page 6 of 6
	Issued: 23 June 2016
<b>BEHAVIOUR MANAGEMENT POLICY</b>	Review date: July 2018
	Supersedes: March 14

**Stage 5:** Focus books when completed are kept in the behaviour files. These are monitored termly by the Associate Head and Pastoral Lead

The behaviour file compiles all the above information giving a clear picture of individuals. This information is kept and organised by our Pastoral Lead and shared with the Associate Head on a termly basis. During this meeting individuals will be discussed and highlighted as the following:

- green, no concern
- orange, possible concern; keep monitored
- red, concern

Further interventions will then be looked at such as one to one between the child and Associate/Head, further discussion and meeting between staff and parents, possibilities of an PGP for behaviour or the involvement of other support agencies.

### **Whole Class Consequences**

These are extremely rare and only used in extreme circumstances where the general behaviour of the majority of the class or year group is causing a serious concern that is impacting on everyone's learning and/or safety. The decision on these is down to the professional decision of the class teacher.

### **Emergency**

A red triangle with the area name is situated in every learning space. These may be used in any emergency. A child can take this triangle to the nearest adult for them to come to the area to assist.

South End Junior School  
**Sanctions Guidelines**

(Please note these are **guidelines only**. More or Less Severity may be required depending on the particular situation.)

<b>If you do this...</b>	<b>You may expect this...</b>
<b>Fail to complete classwork satisfactorily</b>	<b>Stage 2 Possibly stay in at playtimes to complete</b>
<b>Fail to hand in properly completed home learning.</b>	<b>Stage 2 Possibly stay in at playtimes to complete or attendance at the Home learning Club</b>
<b>Consistent behaviour such as: Behaving badly in lessons Eg calling out, being disruptive Or not respectful to <i>any</i> member of staff eg being rude, answering back, not responding to instruction or Are silly or noisy while moving around the school or Behave badly in assembly Eg talking</b>	<b>Stage 3 or 4 depending on level and number of times taken place  Stage 5 or possible exclusion (swearing at staff/physical abuse)  Stage 3 or 4 depending on level and number of times taken place</b>
<b>Use bad language</b>	<b>Stage 3 or 4 depending on level and number of times taken place</b>
<b>Racist remarks</b>	<b>Stage 3 or 4 and logged</b>
<b>Bullying Including verbally or behaving aggressively</b>	<b>Stage 3 or 4 depending on level and number of times taken place  Stage 5 or possible exclusion</b>
<b>Damage to school property</b>	<b>Stage 2-4 depending on severity. However, pay for the damage caused.</b>

**Parents / carers will be involved as stated in the 5Stage Policy. However, if staff deem it necessary we may involve parents at a much earlier stage.**
