

# Pupil Voice

At South End Junior School we recognise that there are skills children need to develop that work better on a first hand basis rather than through classroom based learning. We try to give the children a variety of opportunities to show responsibility and make a difference and we are proud to say that they children never fail to impress up with how well they fill their roles.

## Junior Leadership Team

Our Junior Leadership Team (JLT) is made up of 24 children (two from each class) who meet on a weekly basis. The children represent their peers and act as the pupils voice for the school. The JLT members are elected at the start of each academic year by the class mates. Prior to this, the children must prepare and present a manifesto to their class. The year six members take on the responsibility of being chair and vice chair.

The JLT works together on events and solving issues. Additionally, the JLT will sometimes provide items for the Senior Leadership Staff team to discuss at their fortnightly meetings.

The Junior Leadership Team slogan is 'Your School - Your JLT- Your Say' and it is important that all children remember that the class reps are a way of communicating the views of children across the school.

Ideas and suggestions can be passed on to Junior Leadership Team via class JLT meetings or by visiting the reps who are always available to talk to at Lunch Times.

# Other Roles and Responsibilities

## South End Ambassadors

Every child in the school has now been given the opportunity to apply for a range of Ambassador roles. These roles are free for all children to apply to, using the South End Ambassador application forms. The children go through a selection and recruitment process, and once employed, will be paid in house points for each shift that they carry out. These Ambassadors are easy to identify as they are awarded an Ambassador Lanyard to wear whilst their shifts are being carried out. The Ambassadors are also given a Payment Booklet where their wages are recorded. The Ambassador roles range from the following:

- Avenue Ambassadors
- Huddle Ambassadors
- Digital Ambassadors
- Creative Ambassadors
- Sport Ambassadors

## Head Boy & Head Girl

Head Boy and Head Girl is a huge achievement for any South Ender. 2015-2016 saw the first academic year where Head Boy and Head Girl was introduced and it was a great success.

A lucky pair from Year 6 are chosen very carefully based upon their time at South End Junior School. There are two Head Boys and Head Girls throughout the year which changed at Easter.

The children will take on responsibilities such as:

- Attend key events throughout the school year such as concerts, productions, choir outings etc.
- Order, stock and maintain the items for the merit shop
- Host and present Christmas and Easter cat walks
- Play the role of assistant head teacher in VIP celebrations

The Head Boy and Head Girl get to stand out during their role in a smart, lime green and black blazer!
