Monday 3rd June 2019

Dear parents/carers

It seems bizarre to say this is the final Head's Update of the academic year! 2018-2019 has flown by with the usual busy South End calendar following through to the end of the summer term.

Term 5 saw the new extension in the lower hub continuing to take shape. I have added several images to our Facebook page to keep you all updated. Now, the builders will begin to connect the new and old buildings together to create not only two new classrooms, but also the much needed shared area. The new build is all going to plan with a projected finish in mid-August.

Take a peek!

Later this month, we will be holding another open morning session for you to see 'Talk for Writing' in action across the school. Over the last two years, staff have undergone extensive training and are now ready to share the new skills learnt. Our open session is on Wednesday June 26th from 9am to 10.35am. The day for parent/carers will begin with a 'growth mindset' workshop followed by classroom visits. We hope to see you there!

We are very much looking forward to meeting our September 2019 year 3 families on June 27th at 5pm. During this meeting, the parents and carers are invited to have any questions answered, get to meet their child's class teacher and have the opportunity to have a look around the school- this is one of my favourite times of the year; meeting some more of our community and welcoming them into the SEJ family!

There is lots to look forward to for our wonderful year 6's now that they have done their best with SATs and are preparing themselves for senior school. They will be enjoying the efforts of their party day (record amounts raised), they have their production and graduation ceremony, too. Please refer to the previous Echo for dates. We will endeavour to ensure year 6 have an amazing final term at South End before they leave us for the next stage in their learning journey. We already have been and will continue to liaise closely with all year 7 settings to ensure they have an accurate picture of their new pupils.

At the end of the summer term, we usually see some staff moving onto pastures new. We are busy recruiting to ensure we have a full staffing team for September.

We look forward to seeing you at the summer concert on Wednesday 12th June at 1.45pm & 6pm. Please keep an eye on our Facebook page to keep up-to- date with all the forthcoming events.

Many thanks for your continued support.

See you at the gate!

G Kaur
