Friday 13th September 2019

Welcome back to a new term.

I hope you all had an amazing summer break and enjoyed quality time with family and friends.

In South End style we have welcomed new children into year three and started their learning journey with our annual 'Tie Ceremony'. A huge thank you to all year 3 parents who attended. I am sure you will appreciate why we could only invite one adult per child; a tight squeeze to say the least!

As well as new children we have also welcomed new staff. Please do speak to them as and when you see them. I am sure all children and staff will settle quickly, and soon feel part of the South End family.

All children looked super smart on their first day back and really set a high standard of uniform. Please can you ensure this continues for the rest of the academic year. Classrooms were a buzz of activity with children getting to know their new teachers and teaching assistants. Year 3 children are settling well and quickly adjusting to new routines. Please do take time to read the DOL booklets for your year group to give additional information you will need.

Over the summer we have been incredibly busy with the new build. This is also complete needing just one or two jobs tweaking! We now have a fantastic shared area for all year 3 & 4 children to use as an additional learning space. I am leaving it to the children to name what this space will be called. You will by now be used to us branding all areas at South End! We also have two brand new classrooms for Ayres and Matisse children. Picasso class has also been renovated over the break.

We all look forward to working with you in a continued partnership over the next academic year.

See you at the gate!

Miss Kaur
