Telephone: 01933 426433

Dear Parents and Guardians,

Firstly, I would like to thank you all for your support and understanding during these difficult times.

I would like to assure you that all of us at the Uniform Shop are here to support you and your families throughout this period. We will do all that we can to make the purchasing of school uniform as easy and stress free for you as possible.

We are delighted that the shop will be able to reopen on Tuesday 16th of June in line with the government guidelines.

During the lockdown period we have still been working behind the scenes dealing with orders and ensuring we have everything we need for the summer rush which we expect over the coming weeks.

We have been putting measures in place ready for reopening in compliance with the government guidelines to ensure the safety of our staff and our customers.

We will have to limit the number of people in store at any one time so we have put an appointment system in place for trying on uniform in order to avoid long queues.

To Book an appointment please visit:

- <https://uniformshopappointments.setmore.com>

If you are able to order via our website www.uniformshopwellingborough.co.uk we ask that you do so to allow appointments for those who can not order online.

We have added sizing guides to the majority of the garments to help parents work out sizes but should you order the wrong size we will exchange these for you providing they still have the tags on.

We still have the different delivery options available

- 1) Click & Collect from Shop - We will be dedicating 3pm - 5pm weekdays and 12-2pm on a Saturday for collection of orders and ask that parents queue outside and a member of staff will get your order for you.
- 2) Free Delivery to School - Please only choose this option if your child is currently in school.
- 3) First Class Royal Mail - For any orders under £20
- 4) DPD next day 1 hour delivery slot

We hope the above provides all the information you need but please do not hesitate to contact us if you have any further questions.
