Head's Update

Keeping you informed: Miss Kaur—Headteacher

Monday 6th January 2020

Dear Parents/Carers

Welcome back and happy New Year to you all.

I hope you all had a great Christmas and enjoyed quality time with family and friends.

At South End, new year is kick starting a new curriculum! Before we broke up last term, we parentmailed out several documents to keep you posted. We will continue to inspire the learning journey for all our children by reigniting awe and wonder! I hope you have had the time to read the documents sent and noticed there are now numerous opportunities for additional homework for those who would like this.

You have been sent the following:

- A curriculum learning letter for your year group
- A list of suggested reads
- A list of optional home learning challenges.
- A project knowledge organiser

If you have any questions please do speak to your child's teacher.

You have the opportunity to see our new curriculum in action- please save the date of February 5th(pm). I look forward to seeing lots of you there. This session will begin with an online safety update for parents.

This week we have also launched our new value of Aspiration. What does your child aspire to be in the future? We will be teaching the children about not only being aspirational for future careers, but being aspirational on a daily basis.

Best wishes for 2020.

See you at the gate!

Miss Kaur

Head teacher
