Head's Update

Keeping you informed: Miss Kaur—Headteacher

Monday 12th April 2021

Dear parent & carers

Welcome back after the Easter break. Despite lockdown restrictions being in place, I do hope you managed some time to relax and catch up virtually, or safely outdoors, with family and friends.

We are all looking forward to the summer term and perhaps some kinder weather conditions too! This term we will continue to have the same bubble arrangements as last term. The latest guidance released has advised to continue to keep all bubbles separated.

Please can I remind you children must not be on site until their bubble start time:

Year 5 and 6 begin at **8.30am**

Year 3 and 4 begin at **8.40am**

Many thanks to all parent and carers who took a call from their child's teacher during the last week of term. It was lovely to share how well the children had settled in, and how they are being supported at school. We hope the summer term enables us to have little disruption to day-to-day routines.

Our COVID-19 risk assessment has been updated following the latest guidance for schools; this can be found on our school website. We will continue to do our utmost to keep all children and adults safe. Children will of course continue to be nurtured as they re-settle back into school life. Please encourage your child to continue to bring their water bottle home daily to be thoroughly washed out. Should any bubbles need to close due to a positive case, remote learning will be back in place.

Our new value of 'Perseverance' has been launched today. Perseverance has been required and experienced by us all, every day, so the children will certainly be earning plenty of values stones for this one!

Week two will be assessment week in school to enable us to find out exactly where any gaps in learning may be. As you can appreciate, school closures have had a significant impact on teaching and learning. Once data is analysed, we can begin to pug the gaps at speed.

Fingers crossed this term will be calm and with little disruption!

See you at the gate.

G Kaur
