Head's Update

Keeping you informed: Miss Kaur—Headteacher

Wednesday 2nd November 2022

Dear parents and carers,

We hope you all had a great half term break.

The children have returned this week ready and eager for another term's learning. We begin the return with a 'Geography Study Week'. Children will become more knowledgeable about their immediate location as well as places further afield. Please do ask them to share what they are learning with you.

Later in the term, we will be having our autumn assessment week when children will complete assessments in English and maths. This will give us the up-to-date, accurate information that we need to ensure we are planning precisely for the children's next steps in knowledge and understanding.

Our new value this half term is 'Aspiration'. How do our South Enders demonstrate aspiration out of school? We look forward to our values jar being full before the end of term so the children earn an additional break time.

We have a busy half term ahead with children raising money for the British Legion and Children In Need. The month of December brings many festive celebrations including our Winter Catwalk, a touring pantomime group, Christmas parties and discos. Christmas disco tickets will go on sale in December.

Please do ensure your child arrives to school on time and ready to learn at 8.40am. Last term we had several children who were persistently late. This impacts not only your child's learning, but the learning of other children too.

Please do look out for our parent survey which will be completed via Parentmail. Your views and opinions do matter to us to ensure we can continue to make improvements where needed.

Please keep your eyes on our Twitter account for all our latest updates @SouthEndJrSch .

Many thanks for your continued co-operation.

See you at the gate!

G Kaur

Head teacher
